# Mikhail Tarasov

## Frontend Developer

As a Junior Frontend Developer, I am passionate about creating dynamic and engaging user experiences on the web. I am eager to apply my skills to develop responsive and efficient web applications. I am always seeking to expand my knowledge of modern frontend frameworks and technologies, and I am committed to creating clean, maintainable and scalable code. With strong problem-solving and analytical skills, I am dedicated to delivering high-quality solutions that meet the needs of clients and users alike. I am excited to work as part of a team to build innovative and impactful web projects.
